If this Crane Contractor Agreement is for the performance of work on a public project, Contractor's indemnification obligations are further limited by FL ST §725.06(2) and (3). Specifically, on public projects Customer shall only indemnify, hold harmless and defend Contractor and its employees and agents from liabilities, damages, losses, and costs, including but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, recklessness or intentional wrong misconduct of Customer and persons employed or utilized by Customer in the performance of the public project. The Customer's obligations hereunder shall further not be limited by the amount of its liability insurance and the purchase of such insurance for Contractor shall not operate to waive any of the above obligations. This provision is separate and distinct from any other provision or paragraph in this contract, including any provision or paragraph concerning indemnification or procurement of insurance. If any word, phrase, or sentence of this paragraph or any other paragraph is declared invalid, then all other words, phrases, or sentences of all paragraphs of this contract shall stand. If this paragraph or any other paragraph is declared invalid, then all other paragraphs of this contract shall stand. Furthermore, as part of Customer's additional obligations hereunder, Customer shall bear the cost of any investigation or adjustment (including but not limited to, attorneys' fees and costs, private investigator/adjuster fees and costs, expert fees and costs, costs of storage and down time for inability to use the Equipment, and costs of testing of property, Equipment, or other items) initiated by the Contractor, Contractor's attorney's, Contractor's insurance carriers or Contractor's third party adjusters into any accident of any kind, when such accident, or occurrence happens, involving directly or indirectly the Equipment, whether or not such accident involves personal injury, death or damage to the Equipment or other property or all of these. Pursuant to the provisions of FL ST § 725.06 the parties hereby agree that the indemnification obligations of the above paragraph are limited to the amount of \$5,000,000.00. The parties hereby further agree that this limitation bears a commercially reasonable relationship to the contract and is incorporated as part of the project specifications or bid documents, if any, and further, that the amounts of the indemnification limitation specified herein bear a commercially reasonable relationship to the contract in light of the risks to person and property which may arise from or relate to the project and work contemplated by this agreement. The parties acknowledge and agree that in so far as commercially reasonable monetary limit of \$5,000,000.00, among other factors, the parties specifically have taken into account the availability and cost of insurance for contractor's such as the Contractor and the costs of other risk transference devices enumerated in this agreement, the limited scope of the Work of the Contractor, the risks associated with the Work of the Contractor (Crane Owner) from national standards including ASME Standard B30.5 (2014), the compensation paid to the Contractor, the safety requirements for this job and the other benefits exchanged between the parties including but not limited to reduced insurance costs by not having duplicative insurance in connection with this Subcontract. As noted above, the parties further agree that this section's obligations along with insurance section's requirements are hereby made a part of the Project specifications and bid documents. The Customer's obligations hereunder shall further not be limited by the amount of its liability insurance and the purchase of such insurance for Contractor shall not operate to waive any of the above obligations. This provision is separate and distinct from any other provision or paragraph in this contract, including any provision or paragraph concerning partial indemnification or procurement of insurance. If this paragraph is declared invalid, then all other paragraphs of this contract shall stand. Furthermore, as part of the Customer's additional obligations hereunder, Customer shall bear the cost of any investigation or adjustment (including but not limited to, attorneys' fees and costs, private investigator/adjuster fees and costs, expert fees and costs, costs of storage and down time for inability to use the Equipment, and costs of testing of property, Equipment, or other items) initiated by the Contractor, Contractor's insurance carriers or Contractor's third

party adjusters into any accident of any kind, when such accident, or occurrence happens, involving directly or indirectly the agreement Equipment, whether or not such accident involves personal injury, death or damage to the agreement Equipment or other property or all of these. However, such indemnification shall not include claims of, or damages resulting from gross negligence or willful, wanton, or intentional misconduct of the Contractor or its officers, directors, agents or employees, or for statutory violations or punitive damages except and to the extent the statutory violations and punitive damages are caused by or result from the acts, errors or omissions of the Customer or any of Customer's contractors, sub-contractors, sub-sub-contractors, materialmen or agents of any tier or their respective employees.
